

# Allure

824STBRBR

824SBSD

824SBFSDA

824SBFCA

A classy ladies safety frame that provides medium impact protection.

With a lightweight design and generous bridge size, it wraps around the face with flair.

The Allure is great to wear and provides 99.9% protection against harmful UVA and UVB rays. These lenses come in smoke, burgundy, smoke with anti fog, and clear with anti fog.

For those needing additional protection against dust particles and swarf, the 824 Allure is available with the Positive Seal foam cell. The 824 Allure Positive Seal lenses comes with anti-fog to give you clear crisp vision when wearing the glasses.

The chic oversized lightweight frame gracefully contours around your eyes to extend peripheral vision and improve eye protection whilst keeping you fabulous and alluring.
