

# PACIFIC SAFETY BIFOCALS

*Bifocal Safety | Modern frame with side shields | AS/NZS1337.1 Medium Impact*

Try on the modern and sophisticated ready made bifocal safety glasses with medium impact protection.

The all new 944 Pacific bifocal safety frame is available in a wood grain finish frame as well as a shiny black frame. The frame has an AS/NZS1337.1 approved non-removable side shield that is modern and stylised. The clear side shield provide maximum lateral protection.

The 944 Pacific bifocal frame and lens passed the medium impact requirements of AS/NZS1337.

The lightweight frame and design ensures you look great whilst at work and remain protected.

Available with +1.50, +2.00 or +2.50.

CODE	FRAME	LENS
944BR+1.50	Wood Grain	+1.50
